

InRaSS Colloquium Series

11th Talk (14th January, 2024 17:30 – 18:30 IST)

Webinar on:

Creativity and Innovation: Challenges in Scientific Research

Part 1: Interesting Observations and
Personal Experiences

Debatosh Guha

Institute of Radio Physics and Electronics
University of Calcutta, Kolkata, INDIA

There are different views and opinions about creativity in a scientific researcher, which can be defined in multiple ways. This talk, comprised of two parts, will address the topic from a different perspective – aiming to demonstrate the reality and focusing on some interesting observations.

Part 1 of the talk will encompass some general queries that commonly come to our minds and the speaker will try to address them based on his personal experiences.
